

CSAA Softball adheres to all National Federation of High School Rules. The NFHS Rule book includes info on bats, sliding, batting helmets, catcher's equipment, jewelry, playing fields and lightning. **All CSAA teams and coaches must also abide by the listed CSAA special rules and must adhere to all policies and procedures in the CSAA Handbook (www.loucsaa.org)**

GROUND RULES: Ground rules at the site of the game must be reviewed with both coaches before each game, including tournament games.

The first team listed on the schedule is the home team. The home team must furnish a new game ball and the second team listed (visiting team) must provide a good used ball. **During tournament play the home team will be determined by a coin flip. The same rule applies for supplying a new ball (home team) and good used ball (visitor) for playoff games.**

The courtesy runner rule will apply to catchers only. The courtesy runner will be the last batter/runner to make an out prior to the catchers at bat except for the 8th grade division. A sub shall be used if available in the 8th grade.

Game length will be 5 innings or one hour and 15 minutes. If the time limit expires in the middle of an inning, that inning will be completed (unless the home team is ahead and at bat). If a game is tied at the end of the 1 hour and 15-minute time limit, the game is complete at the end of the current inning and will be considered a tie.

No new inning will begin with less than five (5) minutes in the time limit for 6th and 8th grade divisions and 10 minutes in the 4th grade division.

TOURNAMENT TIE-BREAK PROCEDURE: At the start of each extra half inning, the team batting will put the last batter who completed her turn at bat on 2nd base. Extra inning play will conclude when either the home, or visiting team have a lead at the end of a full inning.

COMPLETE GAME: If a game is **suspended** due to darkness, rain, etc. it will be considered a complete game if one of the following situations applies.

- 1) If 3 ½ innings have been completed and the home team is ahead.
- 2) If the game has lasted one hour or more, and the home team is ahead, and the visiting team has completed their turn at bat for that inning.
- 3) Run Rule

SUSPENDED GAME: If a game is **suspended** for any reason and one hour has not elapsed from the start of the contest, or 3 ½ innings have not been completed the game will be considered a suspended game. The game will be completed later if the field schedule allows. These games will be continued from the point of suspension, with the remaining time until the time limit expires or the 5-inning game is completed. All regular substitution rules apply for any changes necessary at the time of the makeup date including the count on the batter.

These rules also apply during the tournament and the tie break rule will be implemented if necessary.

Metal Spikes are not allowed

Face Mask - Effective the 2017 season, all defensive players in the position of pitcher, first base and third base must wear a face protector.

Special Rules - 4th Grade Division

Starting a game: Teams must start a game with a minimum of nine (9) players on defense and in the batting order. Ten (10) players may be on the field on defense if desired. On offense, all eligible players must be in the batting order (roster bat). If a player is listed in the batting order and is absent, gets injured or leaves the game for any reason, that player's time at bat will be an automatic out. On defense, starters and substitutes must play a minimum of every other inning on defense. A team may finish a game with 9 players but the automatic out is assessed every time that spot in the batting order comes around.

One umpire will be assigned to each 4th grade game.

The coach of the team at bat will feed the machine.

Pitching machine will be set at 35', measured from the back of home plate to the center of machine. Pitching speed for the machine will be set at *39 mph*.

The batter will receive 6 pitches.

- a) If no action, the batter is out.
- b) 3 missed swings, the batter is out.
- c) No intentional bunting.
- d) A foul tip on the sixth pitch gives the batter another pitch.
- e) No walks.
- f) If a batted ball hits the pitching machine or the coach interferes, it will be considered a single and the batter is awarded 1st base. All base runners will advance one base.
- g) If a batter is hit with a ball, no base will be awarded.
- h) The hitter may not run on a ball dropped or missed by the catcher on a third strike.

Infield fly rule is not in effect. The ball remains "alive" with all runners in jeopardy of being put out or advancing.

Each base runner and the batter are allowed only one extra base on any type of overthrow per hitter. After the advancement of the base runners and the hitter, the ball is considered dead.

The batter cannot run on a missed third strike.

No stealing allowed in the 4th grade division.

Run Limit Rule: A six (6) run limit per inning. After six (6) runs have been scored in any at bat, that half inning is over and teams change sides.

4TH GRADE DIVISION will use optic yellow 11-inch ball with a COR 47 (max) and Compression of 375 lbs.

No tournaments allowed in the 4th grade division.

Special Rules – 6th Grade Division

Starting a game: Teams must start a game with a minimum of nine (9) players on defense and in the batting order. Ten (10) players may be on the field on defense if desired. On offense, all eligible players must be in the batting order (roster bat). If a player is listed in the batting order and is absent, gets injured or leaves the game for any reason, that player's time at bat will be an automatic out. On defense, starters and substitutes must play a minimum of every other inning on defense. A team may finish a game with 9 players but the automatic out is assessed every time that spot in the batting order comes around.

During tournament play, 8th grade game rules regarding batting lineups and substitutions will be used.

Run Limit Rule: A six (6) run limit per inning. After six (6) runs have been scored in any at bat, that half inning is over and teams change sides.

The batter cannot run on a **missed third strike**.

6TH GRADE DIVISIONS will use optic yellow 11-inch ball with a COR .47 (max) and Compression of 375 lbs.

Stealing is allowed once the ball has left the pitchers hand.

Pitching Distance is 40 ft. See the pitching rules in the NFHS Rulebook.

Special Rules - 8th Grade Division

Starting a game: 8th grade teams will play with 9 players on defense. A 10th player may be used in the batting order as an EP (extra player). If this option is utilized, only 9 may play on defense but they are free to move around as desired. If a team starts with only 9 players and a 10th player arrives late, they may only enter as a replacement player for someone already in the lineup. A team that starts with 10 players in the batting lineup may finish with 9 players in case of injury, illness, ejection **or** another CSAA event, however that spot in the batting order is an automatic out each time through the order. The game will be a forfeit if a team starts with 9 players and does not have 9 players for the entire game.

NFHS substitution rules apply if a team plays only 9 or 10 players at the start of a game and has extra players available. See Rule 3-3, Article 5 of the NFHS rulebook.

Teams may choose to "roster bat" if desired. This must be declared on the lineup card and the coach must notify the umpire and opposing coach at the pre-game conference. Free defensive substitutions are allowed if teams bat the entire roster. If a player leaves the game for any reason, including injury, an automatic out is assessed every time that spot in the batting order comes around. **The DP/FLEX option will not be allowed in CSAA play.**

Stealing is allowed once the ball has left the pitcher's hand.

Pitching Distance is 40 ft. See pitching rules in the NFHS Rulebook.

Run-Rule: We will use the Kentucky High School 15 Run Rule - A game will be complete after 2 ½ or 3 innings, when a team is 15 runs or more runs behind and has completed its term at bat. This rule will be in effect for league and tournament play.

8TH GRADE DIVISION will use an optic yellow 12-inch ball with a COR 47 and Compression of 375 lbs.
